ISSUE 165 JULY 1982

QUESTIONNAIRE

You will recall that we sent a questionnaire with the April issue. We are now able to summarise the 22 (2.4%) replies we received.

Your major moans were:

1/ Rubbish - not enough bins, toomuch litter, no garden skip 68%

2/ Dogs - fouling play areas and paths 41%

3/ Trolleys - too many left around the village 27%

4/ Small shops needed - especially a chemist 27%

Other items of concern to you, which were mentioned by more than one person were:

The poor Sunday bus service, a permanent library, vandalism, more bus shelters, the 'desolate' appearance of some areas.

On the subject of this magazine, at least 55% were satisfied with the content. Some of your suggestions have been included - a diary of events, small ads on one page. Other ideas require your help. Could you write a letter or article of general interest? Contributions of this nature have occasionally been written, but I can only recall two people who have done so in the past few years.

Perhaps we could ask another question - what do you most like about Bar Hill? (and why?) Send your replies to the Editor and they will be published in due course in the letters section.

Finally we would like to thank you for your co-operation. Especially those of you who have offered help, we shall contact you when the need arises.

June Bar Hill News

The supply of paper, which we expected to be delivered at the beginning of June has not arrived in time to print the June issue. Several of the articles which were due to appear in that issue have been included in this.

Advertisements on a 6 month contract will still appear in 6 issues, those inserted for only 1 month appear in this issue.

Village Fete, September 11th

The Fete will be run on similar lines as last year with individual organisations having their own stalls. Most societies have been circulated and it would be appreciated if these forms could be returned to me. If there are any

organisations who do not have a form and who wish to participate could you also contact me. We ask for a donation of 25% of profits and the proceeds from this years fete will go towards building a wall near the school so children may hit, kick balls etc. in safety.

PUBLIC OPEN MEETING
Phases 9 & 10, Bar Hill
Wilcon Construction Ltd.

Following the public meeting held in Bar Hill on 17th June to discuss the above planning application, a further public meeting has been arranged for 8.00pm on Monday 5th July at the Church Centre.

It is hoped that the architect for Wilcon Construction will be present to present an amended application which will go some way towards answering points raised on 17th June. An invitation has also been extended to representatives of the District Council's Planning Department. All residents of Bar Hill, together with representatives of the press are cordially invited to attend.

PARISH COUNCIL NOTES

A report on the two meetings of the Parish Council held on 18t May and 15th June.

Parish Council elections
In the recent election for the remaining places on the Parish

continued/

Council the following people were elected:

Alec Green, 18 The Brambles
Christine Manning, 39 Foxhollow
Elsie Newman, 104 Appletrees
Stephen Wheatley, 58 Foxhollow

We welcome them to the Parish Council and hope that they will enjoy serving the village during their term of office.

Election of Chairman and Vice-Chairman of the Parish Council

Tom Flanagan was proposed as Chairman by John Wills and seconded by Mike Duce, and Mike Duce was proposed as Vice-Chairman by Roger Hall and seconded by Norman Carr. There being no other nominations they were elected unopposed.

Footpaths

A letter has been received from the Footpaths Secretary of the Cambridge Group of the Ramblers Association asking if any local resident who has an interest in footpaths would be willing to act as a local contact and liaison with the Association. It is envisaged that a local contact could be particularly useful in such matters as regurlarly walking the footpaths and reporting on any defects or obstructions so that the Association can take these up with the County Council. The contact could also help in establishing the ownership of land crossed by footpaths. If you are interested in helping with this task, please contact the Deputy Clerk, Christine Avery (Tel. 81233) for more information.

Tree Planting

The County Council have offered financial assistance with the provision and planting of extra trees around the village. A tree planting scheme is in preparation and will be discussed at the next meeting.

Maintenance of Appletrees

Following pressure from the Parish Council and from residents of Appletrees, New Ideal Homes Ltd. have asked the Parish Council to quote a price for the maintenance of Appletrees by the Council's Works Department staff. Remedial work has therefore been started and will continue throughout the summer. Landscaping work is also in progress in Hollytrees.

The next meeting of the Parish Council will be held on Tuesday 20th July at 7.30pm in the Committee Room, Bar Hill Village Hall.

Letters to the Editor

Dear Editor,

May I beg a little space in the "News"?

I would like to thank Tom Flanagan for all the support he has given me in making our objection re phases 9 and 10. Also Derek Couzin-Wood an Greg Mascall and all the people who have helped either by delivering the notices or by coming to the meeting, not that we are through yet but it nice to know I am not alone in this.

This is also a good opportunity to say a big "Thank you" re the wonderful response to my article asking for clothing etc. for the Co-Workers of Mother Teresa. Do keep it up!

BAR HILL SOCIAL CLUB - MENS DARTS TEAM

After a very successful season in the Willingham and District Summer League, League Champions, Knock-out Cup runners up, Fours - runners up, the team entered the newly formed Willingham Winter League.

After a marathon season, consisting of 28 games, playing each team 4 times, the team finished second behind "Admiral Vernon", Over. It was a tremendous effort by all the team, which this year included two lady players, Wendy Hassall and Shirley Sargent, who both, as the season unfurled, established themselves in the team.

Finals night at the Willingham Social Club was an enjoyable evening, where our Captain, Les Manning, was just beaten in a closely contested singles final.

I would like to take this opportunity to thank both the Social Club, for their donation of a trophy for the league competitions, and Mr. Tom Stephenson for his trophy donation, which will be played for in the "House Competitions".

The club are fielding an A or B side in the summer league this year, anybody interested in joining are very welcome. Games will be played on Wednesday evenings, so come along for an enjoyable and competitive evening.

BAR HILL FERMENTERS' GUILD

CONINGTON CAPERS

The commotion on the lawn of the White Swan, Conington, on Saturday 12th June was almost equalled by the racket produced by thunder and lightning above as the weather tried unsuccessfully to ruin the principal event of the Cambridgeshire sporting calendar The centre of attraction was the Greene King Dwyle Flunking Classic between the Undefeated Salisbury Flunkers (from the Camra Investments pub in Cambridge) and Keith Castle's All Star Flunkers. The team from the Salisbury Arms - champions of the world and just back from a global tour - easily beat off the challenge from the somewhat inexperienced Londoners; the score was 19 runs (the innings being declared after five pairs of flunks) to 15.

The tug-o'-war contest involved ten sides who became embroiled in a number of closely-fought pulls. Bar Hill Fermenters' Guild emerged as the winners (home-brew reaches parts lager has never heard of !), overcoming the teams from the White Swan, Conington, in the final.

Fenstanton Morris opened the proceedings, starting to dance just as soon as the midday storm began to diminish in ferocity. Stacey's Braces - the well-known ceilidh band based in the Cambridge area - provided music throughout the day. Other attractions included donkey rides, the pub game shut-the-box, the less-than-traditional but nonetheless intriguing kill-the-rat, the ever-popular face painting, a guess-teddy's-name competition, an ice-cream stall, and a stand selling Papworth Hospital T-shirts, sweatshirts, ties, mugs and other goods.

Radio Cambridgeshire's Paul Cobley presented a fifty-five minute outside broadcast from the event.

Peace broke out at about 5.45 p.m. when Keith Castle drew the tickets for the raffle prizes, declared the lucky programme number and announced the bear's name. Chris Rees from Greene King passed the magnificent GK Trophy to Peter Bull, captain of the victorious Salisbury Flunkers. The winning flunking and tug-o'-war teams received polypins of IPA donated by Greene King and the brewery also provided beer to sustain Stacey's Braces and for the flunking penalties.

The pub stayed open all day, the rain held off for much of the afternoon, and a friendly atmosphere prevailed. Approximately £240 will be sent to Papworth Hospital.

The Bar Hill Fermenters' Guild, organisers of the event, are most grateful to the following for contributing in such a variety of ways to its success : to Greene King for their generous sponsorship (and in particular to Chris Rees for his interest and encouragement); to Ciba-Geigy, Qualitair Engineering, and the Cambridge and District Branch of CAMRA for substantial donations; to Stacey's Braces for splendid music under difficult circumstances; to Fenstanton Morris for providing a colourful and energetic start to the programme; to Pauline and Dan Tilley from the Boxworth Donkey Stud for

Gilbeck Consultants.

as well as from the Toy Library. There will also be face painting, and drinks and sweets will be on sale. There will be a small present for every child who takes part in the Trundle. Last year's Trundle was much enjoyed by everyone and raised nearly £100, so we hope for good weather so that a good time may be had by all !

Waste Paper

Yes, we are again asking for all your waste paper to help provide much needed funds for our proposed Scout/Guide hut. However, some changes have had to be made since we last were collecting, firstly that we now collect on the first Saturday in the month and secondly that the lorry no longer travels around the village. Please help us by having your paper out by about 9 a.m. on Saturday and by having it tied up in bundles. The next collection will be on Saturday 3rd July.

Scout Fete

To celebrate the Year of The Scout we will be holding a grand fete on the village green on Saturday 3rd July. This will be a fun event for all the family and also a chance for the cubs and scouts to demonstrate their skills. The Cambridge City Jazz Band will be there, you can enjoy the pig roast and try your hand at the many stalls and events. In the evening we will be holding a Barn Dance in the Village Hall with a bar and a Barbecue.

BAR HILL PLAYGROUP

Since writing to you last quite a lot has been happening at our Playgroup.

To celebrate National Playgroup week we held an Open Morning on Saturday 22nd May. It was lovely to see so many parents visiting us. The children enjoyed an extra play at playgroup. On Wednesday 26th a Double Decker bus left Bar Hill to join other Playgroups from the area at Cherry Hinton Hall. We were graced with sunny weather so the picnics were extremely successful. 34 mums from Playgroup and Toddler went along with 55 children. Poor driver !!

Two sessions for swimming take place at Swavesey Village College, these have proved especially popular during the warm weather.

A Poster Competition was arranged at the Primary School. To design a poster for our Fashion Show for display at school. The winner was Tanya Sutton who received a £2 Book Token. What a lot of talented artists we have in Bar Hill. Our Fashion Show held on 18th June was a delight to the eye. Some lovely fashions were displayed by our 13 models who were truly professional. I'd like to thank Angela and her assistants from the Boutique, Sue and Mike Turner for a lot of groundwork in preparation and lights on the night, Mrs. Swain from University Keyboards for supplying the audio equipment and Val for working it, and last but not least Playgroup Committee who filled in all the gaps to make the evening a resounding success.

Double Your Money mums have been busy coming up with some novel ideas on doubling their money. Garden parties, coffee mornings, sponsored swimming, betting a horse to name but a few. A stall in the Mall on 26th June sold other mums wares of cakes, knitting and sewing. As yet a total for this venture hasn't been collated. All of this goes towards our new climbing frame which has been erected in our Play Area. I'd also like to thank Football Club for their donation towards this aim.

Finally I'd like to thank the committee for their help during my short term as Chairman. Due to personal commitments I'm standing down as Chairman and Jan Mutch is taking over. I'm remaining on the committee.

Chris Goodman.
